

Notice to Residents

I-94 11 Mile Road to Masonic

There will be construction activities that will take place on nights and weekends on I-94 throughout the upcoming project from 11 Mile to Masonic Boulevard. The night and weekend work will begin in Mid-March of 2013 and continue through October of 2013.

Two lanes in each direction (EB & WB) will be closed daily Saturday and Sunday (including full closure of I-696 to EB I-94 entrance ramp) to repair the deteriorated joint lines.

Any questions can be directed to the Engineering Dept
586-445-5445

August 12th, 2013 through August 16th, 2013 –

Intermittent shoulder closures will be in effect from 7:00am and will reopen at 5:30pm each day on eastbound I-94 between Masonic and 23 Mile Rd. There will be no lane closures and therefore no need for a posted detour route.

August 12th, 2013 through August 16th, 2013 –

Intermittent shoulder closures will be in effect from 7:00am and will reopen at 5:30pm each day on eastbound and westbound I-94 between 11 Mile Rd and Moross Rd. There will be no lane closures and therefore no need for a posted detour route.

M-97 Construction

When: March 2013 to October 2013

Throughout the duration of the project there will be work performed during both daylight and night time hours.

Access will be maintained to all businesses and residents.

During Construction of the water main between 13 Mile and 14 Mile Roads there will be short-term service interruptions. Property owners will be notified by the contractor prior to any interruption in service.
